PROMOTIONAL ITEMS

ALL ABOUT HEALTH, SAFETY + PROTECTION

GIFT A PIECE OF SAFETY

It happens more often than you think: Your partner gets a burn unexpectedly, in the middle of barbecuing, the child suddenly starts to cry because of a cut or you cut yourself clumsily on a sheet of paper. Reliable and quick help will be needed in such situations. Whether burn gel, wound dressing or plaster strips: With first aid promotional items you can provide your costumers with important protection and arouse emotions.

Costumers lay a lot of value on quality and functionality when it comes to promotional items. First aid promotional items do not just offer variety to the usual items, they are also important little helpers in emergency situations. You can make use of first aid bags, plaster sets or first aid casings to support your costumers in deciding moments. This will

create a bond to your costumers and ensure them safety.

For more than 100 years, the manufacturer **GRAMM medical** - with the specially founded promotional items business unit **MEDICALpromotion** – has been the developer, manufacturer and distributor of high-quality medical products. Since first aid items require the highest quality and reliable protection, the company is certified according to DIN EN ISO 13485:2016.

Strict compliance with the requirements of the EU regulation for medical devices with regard to important quality features such as sterility, labeling and storage is a matter of course for the Weinstadt specialist.

FIRST AID + CO.

Plaster cases with individually labeled plasters, compact first aid set for a holiday, KFZ-First aid cases and a lot more. We have products for all usages! With first aid promotional items you can become the savior and you support your costumers in their everyday life, job, in their hobby or free time activity. Leave a positive memory with durable, long lasting and refillable first aid sets that make you stand out for the mass!

HYGIENE + PROTECTION

Protect yourself and the people around you in everyday life, in the job or in social contact with personal products for protection. Our handy hygiene-sets come in diffrent sizes and with specially chosen content, to ensure a effective and hygienic protection in every situation. Whether as a display in the entrance area, a gift for employees in the office or as a personal protection kit on the go - with promotional items in the area of hygiene + protection you show your customers and employees that their health is important to you!

MEDICIN PRODUCTS

The small and often underestimated everyday helpers that make life easier for medical professionals. Whether tourniquet for the doctor's office or tick tweezers for the summer months - with us you will find functional and useful everyday helpers from the field of medicine.
