

Product dimension approx. 120 x 45 x 90 mm

How it's done:

Create your print layout the right way with our practical print layout checklist!

The link does not work for you? Then you can also easily download the checklist via our website:
www.medical-promotion.de/produkte/veredelungsoptionen

**Checklist for
your print layout**

This is a: Pad printing

PLEASE NOTE!

Copy only the dieline into your own (or new) document and set it to „Overprint“.
Then create your layout within the dieline. Elements that have been taken from our dieline template, but do not belong to the pure dieline, will also be printed!

Status 05/2023
